NOTE: If your race number was not recorded at one of the timing checkpoints, your transition time is estimated at 00:02:30. This also causes your bike, swim, or run time to be an estimation. When this occurs, a question mark (?) follows the estimated times.

We hope you had a great race day! If you have any comments, please share them with us. We'd love to hear them.

NOTE: If your race number was not recorded at one of the timing checkpoints, your transition time is estimated at 00:02:30. This also causes your bike, swim, or run time to be an estimation. When this occurs, a question mark (?) follows the estimated times.

We hope you had a great race day! If you have any comments, please share them with us. We'd love to hear them.

NOTE: If your race number was not recorded at one of the timing checkpoints, your transition time is estimated at 00:02:30. This also causes your bike, swim, or run time to be an estimation. When this occurs, a question mark (?) follows the estimated times.

We hope you had a great race day! If you have any comments, please share them with us. We'd love to hear them.

NOTE: If your race number was not recorded at one of the timing checkpoints, your transition time is estimated at 00:02:30. This also causes your bike, swim, or run time to be an estimation. When this occurs, a question mark (?) follows the estimated times.

We hope you had a great race day! If you have any comments, please share them with us. We'd love to hear them.

NOTE: If your race number was not recorded at one of the timing checkpoints, your transition time is estimated at 00:02:30. This also causes your bike, swim, or run time to be an estimation. When this occurs, a question mark (?) follows the estimated times.

We hope you had a great race day! If you have any comments, please share them with us. We'd love to hear them.

NOTE: If your race number was not recorded at one of the timing checkpoints, your transition time is estimated at 00:02:30. This also causes your bike, swim, or run time to be an estimation. When this occurs, a question mark (?) follows the estimated times.

We hope you had a great race day! If you have any comments, please share them with us. We'd love to hear them.
