NOTE: If your race number was not recorded at one of the timing checkpoints, your transition time is estimated at 00:02:00. This also causes your bike, swim, or run time to be an estimation. When this occurs, a question mark (?) follows the estimated times.

NOTE: If your race number was not recorded at one of the timing checkpoints, your transition time is estimated at 00:02:00. This also causes your bike, swim, or run time to be an estimation. When this occurs, a question mark (?) follows the estimated times.

NOTE: If your race number was not recorded at one of the timing checkpoints, your transition time is estimated at 00:02:00. This also causes your bike, swim, or run time to be an estimation. When this occurs, a question mark (?) follows the estimated times.
